Bender congratulates

S.C. POP Service Electronic

on more than 25 years of collaboration.

In the previous years, the S.C. POP Service Electronic team in Romania has made a significant contribution to the success of the Bender Group.

As a contact for local customers and suppliers, S.C. POP Service Electronic is a recognized expert in electrical safety in their region. With continuous engagement and active commitment, the entire team has contributed to the availability of electricity at any time.

We are looking forward to many more years of trustworthy cooperation and wishing all employees the best.

Best regards,
